Became Successful & Dedicated Member of International Physicist Group

Description of the achievement

Best Performance in UCL event

Description of the achievement

PROJECTS

2020

ANTI-PARALLEL UNIVERSE

Physics is Everything!

I completed this project under Supervision of International Group of Physicist by searching evidences for anti-parallel universe. The source of our project was Quantum Mechanics.

2019

RESEARCH ON RARE PLANTS

Siddhartha Vidyapeeth Secondary School

I completed this project by studying about the environment which is required for the proper growth of rare plants under the Supervision of Sanjivani shrestha.
